## EYE ON VANESSA

October 7, 2006 -- **NICK Lachey** had better keep a close eye on girlfriend **Vanessa Minillo**. The MTV hottie caught the eyes of **Eric Staal** and **Eric Cole** of the Carolina Hurricanes the other night at Marquee at the NHL season kickoff party sponsored by FHM magazine. Rangers goalie **Henrik Lundqvist** was there, as well as **Peter Forsberg** and **Darius Kasparaitis**, plus hockey fans **Tim Robbins** and his son **Miles**. But not even Minillo could hold the players' attention when the Stanley Cup was unveiled for the first time with the two Hurricanes' names on it.
